Do you know your Madonna from your Michael Jackson? Your Pop Music from your Rock Music? And think you know every word of Purple Rain or Livin' on a Prayer?! Test your knowledge with these 80s Music Quiz Questions & Answers! The 80s was a fantastic decade for music, producing classics that are still belted out at parties, danced to at celebrations and absolutely loved on a road trip to this day. The decade also gave us the mixtape – and that in itself is something which we must be forever thankful for! If you were to ask anyone what music represented the 80s, they'd probably give you the names of iconic bands such as Bon Jovi, Guns N Roses and U2 in the same breath as Madonna, David Bowie, George Michael and the King of Pop himself, Michael Jackson. In amongst all those legends of pop and rock, the love of Disco died and new genres of music hit the scene. Death metal, punk rock, new wave and hip hop grew and added variety to the airwaves that hadn't been heard before. And talking of airwaves, we bet anyone who was around in the 80s can remember sitting with your tape deck, ready to hit record when your favourite song came onto the radio – the challenge being to get the song without the radio DJ talking over it! And while we're talking about the 80s, it would be rude not to mention the fluorescent colours, shoulder pads, leg warmers, spandex shorts, big hair and beatboxes! If you know, you know... So after that brief introduction of the pop culture of the 80s, we hope you're excited to test your knowledge with this ultimate 80s music quiz – or find the perfect questions to add to your next quiz night or pub quiz.
