Menu The aforementioned lengths are internal measures of the tall to the toes, it is recommended to select a size that is 1/2 to 1 cm more long than the foot of your child, allowing a little space for the feet Small moving and grow. How to select a size: For best results, use our Printable Size Chart above. Use the Layout Métre: Make your child stand up on a piece of paper draw the contour of both feet Use a rule to measure from the outer part of the heel up to the tip of the longest finger on both feet. Enter the number on centimeters or millimeters and dial as graphic length to select the most close to the measurement of the longest length of your child. I hope this helps. Please remember that it is the internal dimensions and serves to help the length and width assessment before ordering. phil :).
